Memo

With reference to the Asst. Secy's query of 12-8-01, it is submitted that in some Districts the cost of construction and repair of Cattle pounds was shewn under "B- Public works" and in the others under "C- Civil charges" in D. F Budgets. In view to introduce a uniformity of practice, the Office proposed the transfer of Rs 200 provided under XI Miscellaneous to Public works in the D. F Budget of Kolar, as the item is of the nature of works. The Secretary ~~ap~~ was pleased to approve of the suggestion made by the office and passed the draft

As orders relating to the audit of accounts, relating to municipal funds are generally applied to District Funds and vice versa, the present draft proposes to introduce a uniformity of practice in regard to the cost of construction and repair undertaken from Mpl. funds of cattle pounds, being shewn under the appropriate head Public works.

As stated above no uniformity is observed in respect of this in ~~the~~ Municipal or D. F. Budgets. The form prescribed by Govt requires ~~that~~ "cattle pounds" to be shewn under XI Miscellaneous and "Buildings - construction or repair" under VIII P. W. As ~~the construction or repair~~ of cattle pounds are ~~[illegible]~~ municipal buildings, the office begs to submit that the change proposed would introduce uniformity of practice, the establishment charges of Pounds being continued to be as submitted para 10 &.

Sir,

For President L. F. Boards

# Memo on the Budget estimates of Receipts and Expenditure of the Several Minor Municipalities in the Mysore District Proper for the year 1900-1901.

**I Octroi**

(1) The increase under this head is due to the estimated income for one year instead of for four months in the current year in the Municipalities of Yedatore, Heggaddevan-kote Saragur, Gundlupete and Saligram. The levy of octroi on kerosine oil, timber and jaggery account for the increase in Hunsur under

in

in Nanjangode and in-crease in Chamarajnagar are based upon the actuals of past year and the first six months of the Current year.

Tax on houses and
VII Mohatarfa

(2) Owing to the inclusion of arrears of previous years in the budget of the Current year, the cart tax in Hunsur Shop and Cart taxes in Heggaddevankote, House-tax in Nanjangode & House and Mohatarfa taxes in Periapatna show an apparent decrease in the budget of the next year. The

increase under shop and cart taxes in Chamarajnagar, shop tax in Yedatore, oil-mill tax in Nanjangode and house tax in Sosale and Mirle is due to the increase of houses, shops &c in the Municipalities concerned. The figures under this head in Bannur and Periapatna, the figures under oil mill and car taxes in Sosale those of shop and cart taxes in Nanjangode are based on the

on the

on the Jamabundy figures for 1899-1900. In Talakadi Rs 20 is entered under oil-mill tax as it was omitted by mistake to be entered in the current year's budget.

Miscellaneous.

(3) The decrease under "Sale of houses and lands" in Hunsur, Heggaddevankote Gundlupe T Narsipur scale and Periapatna is due to a comparatively small demand for house sites. The figures under "Pounds"

in Hunsur, Chamarajnagar, Heggaddevankote, Gundlupet, Nanjangode and Periapatam are based on the actuals of the past year and the first six months of the current year. In Hunsur, Rs 10 is entered under "sale of smuggled goods" as a probable income under this head.

Opening balance

(ii) The closing balances of the several municipalities as per revised budget for 1899-1900 are compiled [illegible] the [illegible]

[illegible]

balances for the year 1900-1901

The provision made for this and for an additional watchman on Rs 5 per mensem in Chamarajnagar to which reference [illegible] [illegible] been made

made to Government for sanction, for octroi commission at 5 p.c. on the estimated income for one year in Yedatore and Heggaddevankote, for the establishment charges for one year instead of for four months in the current year in Saragur, Gundlupett and Saligram and the small provision made under contingency to meet the necessary expense recurrent for the increase of expenditure under this head in the [illegible]

due

due to the provision ex- made for lighting additional lamps and of Gundlupett, Talakad and Kalale for purchase of lamp-posts and lanterns.

Water in Establishment.

(12) Provision has been made for the increase of pay to the two fountain cleaners from Rs 5 to Rs 6 per mensem in the Annexure as a separate reference has already been made on the subject.

Closing balance.

(13) The closing balances of Nanjangode and Chamarajnagar are somewhat low and those of Yedatore, Bannur and Talakad are much less than the prescribed

[illegible]

minimum. As no reduction can be effected under any of the items of expenditure, effort will be made to bring the balances to the prescribed minimum after the actual balances on 1st July 1900, are known from the Comptroller.

No remarks called for

(2) I Octroi. The increase under this head in the Budgets of Hunsur, Yedatore, Heggaddevankote, Sargur, Gundlupet and Saligram is due to the fact that ~~estimated~~ revenue from the ~~newly sanctioned~~ articles newly subjected to taxation has been estimated ~~having been entered~~ for the whole year, instead of for a portion only as ~~then~~ in the sanctioned Budgets for 1899-1900. The estimates are approved.

Do.

(3) II Tax on Horses. The estimates sanctioned for 1899-1900 in the Budgets of Nanjangud and Periapatam included arrears of previous years, while no such arrears are included in the present Budgets. This accounts for the decrease in the estimates under this head, which are passed.

Do.

(4) VII Mohatarfa. The increases under Shop tax in the Budget of Chamarajnagar and Nanjangud are stated to be, respectively, due to the increase in the no of shops and to the estimate having been based on the Jamabandi figures for 1899-1900. The decrease in some of the budgets under this head

~~is due to causes similar to those described in the preceding para. The estimates are allowed~~ opening balance as usual

(5) The figures given under the marginally noted unions will be slightly modified as noted against each with Expenditure refer to the actual balance on 1/7/99 and the sanctioned estimates for 1899-1900

(6) II Head office. An increase of Rs 16 is provided under this head in ~~each of~~ the Budgets of Periapatam and Bannur. The necessity for the same should be explained. Pending information the provisions will stand.

(7) III Collection. The provisions newly made (1) for the salaries of a watchman for Hunsur sanctioned in Pro cts 11977-8 / L.730-98 dated 1st May 1900 and of the additional watchman for Chamarajanagar proposed by the President (2) for 5 per cent commission on the estimated income from Octroi in Yedatore and Heggaddevankote (3) for establishment charges for one of the year ~~instead of only for 4 months in~~ as in 1899-1900 ~~sanctioned for~~ in Sargur, Gundlupett and Saligram and also (4) for remuneration to village servants for the collection of Mohatarfa taxes

(9) VII Lighting Addition lamps are proposed to be lighted in the Municipalities of Hunsur, Chamarajanagar, T Narsipur, Gosale, Mirle, Periapatam, Bannur Kalale and Talkad. This accounts for the increase under this head, which is passed

7 ~~(10)~~ IX Charitable Grants. An increased provision of Rs 60 is made in the Budget of ~~Seringapatam~~ Hunsur for the charge allowance of the Hospital assistant in charge of the Dispensary. The Secretary to the Government of Mysore, Revenue and General departments.

Sir,

I have the honor to state that the Vice President of the Yedatore Municipality reports that since the provision of Rs 50 under XIII Public Works in the current year's budget has already been utilised for the repairs of the several streets in the town, the repairs of an certain tunnel [illegible] is congested costing Rs 15/ and the repair of the Cattle pound costing Rs 100/ will have to be postponed for want of provision. The latter work is reported to be of an urgent nature as the income under this head suffers much on account of the present state of the building and also if the work is not taken in hand at once it would involve a larger sum to repair the same in the next year.

2. The Vice President further requests a re-appropriation [illegible] of Rs 30/- from VII [illegible] to II Conservancy [illegible] charges, [illegible] the [illegible] [illegible] [illegible]

SIR,

I have the honor to state that the Vice President of Gundulpett Municipality brings to notice that the present establishment for Octroi Collection in the town, viz, a peon on Rs 5 per month, is quite insufficient to watch carefully the articles brought into the town. Consequently he proposes to entertain temporarily for three months another peon on Rs 5 per month. I request you will be so good as to obtain the sanction of Government for the appointment. The question of making the appointment a permanent one will be considered after the expiry of the above period, by which time it will be clear whether the octroi-collection will improve.
